**Invitation to a One-Day Validation Meeting on the Governance Structure to
Support Foundational Learning**

As mentioned above, Science and Technology Education Directorate (STED) of the Ministry of Basic and Secondary Education (MoBSE) hereby invites two officers who are specialised in the following areas (ICT, Numeracy or Literacy, Data Management and Reporting, Assessment or Teacher Training on professional matters) in your Directorate to participate in validation slated for Wednesday 1st June 2026 at the science and technology education directorate office, Region one complex,

The purpose of the convergence is to review and validate the proposed Governance Structure aimed at improving coordination, accountability, operational management, and sustainability of EdTech Solution to support foundational learning initiatives within MoBSE.

Your participation and technical contributions will be highly valuable in ensuring that the governance structure reflects the collaborative needs and operational realities of all relevant Directorates.

Please confirm the names and contacts of the nominated participants at your earliest convenience.

We look forward to your active participation and continued collaboration.

Yours Sincerely

Ida Njie
