Subject	Invitation to National Foundational Literacy Training for National Trainers-NTs		

The Directorate of In-Service Training and Lifelong Learning (DITaLL), through the INSET Unit in collaboration with the Learning Mastermind (LM) Team, is pleased to invite all National Trainers (NTs) to participate in the upcoming **National Foundational Literacy Training of National Trainers**.

This training forms part of the Ministry of Basic and Secondary Education's preparations for the nationwide rollout of the FLN programme in the 2026/2027 academic year. It is designed to strengthen foundational learning outcomes and ensure effective implementation of the revised literacy approaches in schools.

The training will be conducted at **Soma UB/SSS**.

- **Date:** 11th – 16th October 2026.

*All participants are to report to **Soma** on **Saturday 10th October, 2026** and sessions will start on **Sunday 11th October 2026 at 8:00am prompt.***

The sessions will equip NTs with the knowledge, skills, and facilitation techniques required to deliver the FLN programme. Participants will be oriented to instructional materials, pedagogical approaches, and implementation strategies that will support the national rollout.

As key trainers within the cascade model, NTs will subsequently train classroom teachers across all regions. Therefore, all invited participants must attend the full training and actively engage in all sessions.

Your participation and commitment are critical to ensuring quality delivery, consistency of training, and successful implementation of the FLN programme nationwide.

Please find attached the list of invited participants in your Region.
